Education

Toyota Technological Institute at Chicago (TTIC) • Chicago, IL, USA — Sep. 2024 – Present
Ph.D. Student, Computer Science (Robotics) • Advisor: Prof. Matthew R. Walter

Shanghai Jiao Tong University • Shanghai, China — Sep. 2022 – Mar. 2024
M. Eng. Electronic and Information Engineering • GPA: 3.96/4.00

École Polytechnique • Palaiseau, France — Mar. 2020 – Sep. 2022
Diplôme d'Ingénieur (M. Eng.) in Computer Science • GPA: 3.81/4.00

Shanghai Jiao Tong University • Shanghai, China — Sep. 2017 – Mar. 2020
B. Eng. Information Engineering • GPA: 3.93/4.30 • Rank: 1/12

Jingcai High School • Shanghai, China — Sep. 2015 – Jun. 2017

Publications

* Equal contribution.

- Haoran Chen*, **Jingtian Ji***, Samuel Wheeler, Kaylene Caswell Stocking, Matthew R. Walter, "Beyond Reconstruction: What Matters in Action Tokenization for Robot Policies?" *Under review at the International Conference on Learning Representations (ICLR)*, 2027. arXiv:2610.09170.

Work Experience

Game AI Algorithm Intern • NetEase AI Lab — Apr. 2023 – Aug. 2023

- Developed a Game AI training framework based on curriculum learning and self-play algorithms.
- Implemented a distributed reinforcement learning framework using CPU clusters and multi-GPUs.
- Employed Elo score to identify the optimal diverse and effective models; maintained a long-term model pool to enhance self-play performance.
- Achieved 1st place in the Olympic competition at IJCAI.

Service & Awards

- **Best Paper Award on Robot Learning**, ICRA 2026 (for "Do You Know Where Your Camera Is?").
- Teaching Assistant, *Artificial Intelligence: Theory and Applications*, 2023: designed a reinforcement learning project, held interactive Q&A sessions, and gave feedback on assignments.
- China Scholarship Council (CSC) Scholarship, 2020–2022.
- Academic Excellence Scholarship, 2019.

Skills

- **Languages:** Mandarin (native); French (DELF B2); English (TOEFL 110, GRE 163V/170Q/4.0AW; extensive scientific writing experience).
- **Programming:** Python, C++, Java.
